

Projector's from Toshiba

See the world from a completely different perspective with Toshiba's high resolution projectors.

Stay mobile and flexible: The new **XGA projector p9** features a USB interface for your presentation while at the same time being extremely light, weighing no more than 1.3kg at a power of 2,000 ANSI

Projector

Technique	0.55" DLP™ Chip
Resolution	XGA 1,024 x 768 pixel
Compressed resolution	–
Projection format	4 : 3 switchable to 16 : 9
Brightness	2,000 ANSI lumens
Contrast	2,000 : 1
Lamp	180 W (TLPLP20LAMP)
Input signals	

- NTSC/PAL/SECAM
- 480i
- 480p
- 576i,
- 576p
- 720p
- 1.080i
- VGA
- SVGA
- XGA
- SXGA & UXGA (compr.)

Lens F = 2.5 - 2.74 / f = 22 - 25

	Digital keystone correction	auto vertical +/- 16°
	Picture size (diagonal)	0.9 m - 7.6 m
	Projection distance	1.6 m - 12.0 m
	Inputs	
-	1 x RGB (D-sub 15)	
-	1 x USB type A (memory/JPEG/MPEG)	
-	mini-Din S-video	
-	composite video (RCA)	
-	audio (stereo mini jack)	
-	video/S-video audio (2 x RCA L/R)	
-	USB Reader	
	Outputs	–
	Serial interface	–
	Wireless communication	–
	Integrated loudspeaker	1 x 2 W
	Dimensions (W x H x D)	210 x 65 x 165 mm
	Weight	1.3 kg
	Specials	
-	USB	
-	keystone correction	
-	DDC compatible	
	Accessories	
-	remote control with laser pointer and batteries	
-	owners manual (CD ROM)	
-	RGB- and power-cable	
-	softcase	
	Options	
-	spare lamp	
-	camera c001
